

**ST. PAUL'S COMMUNITY SCHOOL
PROVISION 2
PUBLIC RELEASE 2026-2027**

This public release is on file at the school and is made available upon request to any interest party.

St. Paul's Community School today announced its participation in a Universal Breakfast and Lunch Program for School Year 2026-2027. This USDA provision allows your child(ren) to participate in the school meal programs without having to pay a fee. Provision 2 gives food service professionals more time to focus on preparing nutritious meals that their students will enjoy and gives students more time to eat those meals by cutting down on time spent in the lunch line. More importantly, by offering all students a nutritious breakfast and lunch at no cost, Provision 2 helps ensure more students come to class well-nourished and ready to learn.

Children need healthy meals to learn. St. Paul's Community School offers healthy meals every school day. Breakfast and lunch meals will follow the United States Department of Agriculture (USDA) guidelines for healthy school meals, so please encourage students to participate. Parents or guardians who need further information may contact Viviana Juarez, Child Nutrition Program Director at 1411 S.W 38th. Oklahoma City, OK. or call us at 405-900-5250.
